

CV

Teodor-Ioan GRIGORESCU

Contact information

University of Bucharest, Faculty of Mathematics and Computer Science
Email: teodor_999@yahoo.com

Place of birth

Alexandria, Romania

Date of birth

14.05.1999

Education

2022-present PhD student in Mathematics,
University of Bucharest
Topic: *Computational approaches in commutative algebra*
Advisor: Lect. dr. Dumitru Stamate

2022 MSc in Mathematics, University of Bucharest
General average: 9,95 (valedictorian)

2020 BSc in Mathematics, University of Bucharest
General average: 9,58

Teaching

First semester, 2022-2023 Algebra, University of Bucharest
Second semester, 2021-2022 Mathematical analysis, University of Bucharest
First semester, 2021-2022 Algebra, University of Bucharest

Research grants

2023-2024 Member in the research grant PN-III-P1-1.1-TE-2021-1633

Romanian mathematical olympiad

2017 First place in the county stage
 Participation in the national stage

2016 First place in the county stage
 Participation in the national stage

2015 First place in the county stage
 Participation in the national stage

2014 First place in the county stage
 Participation in the national stage

Theses

June 2022 Master thesis

Title: *Inequalities*

July 2020 Bachelor thesis

Title: *Classification results for finite groups*
